

EXPANDING **CAREER PATHWAYS**

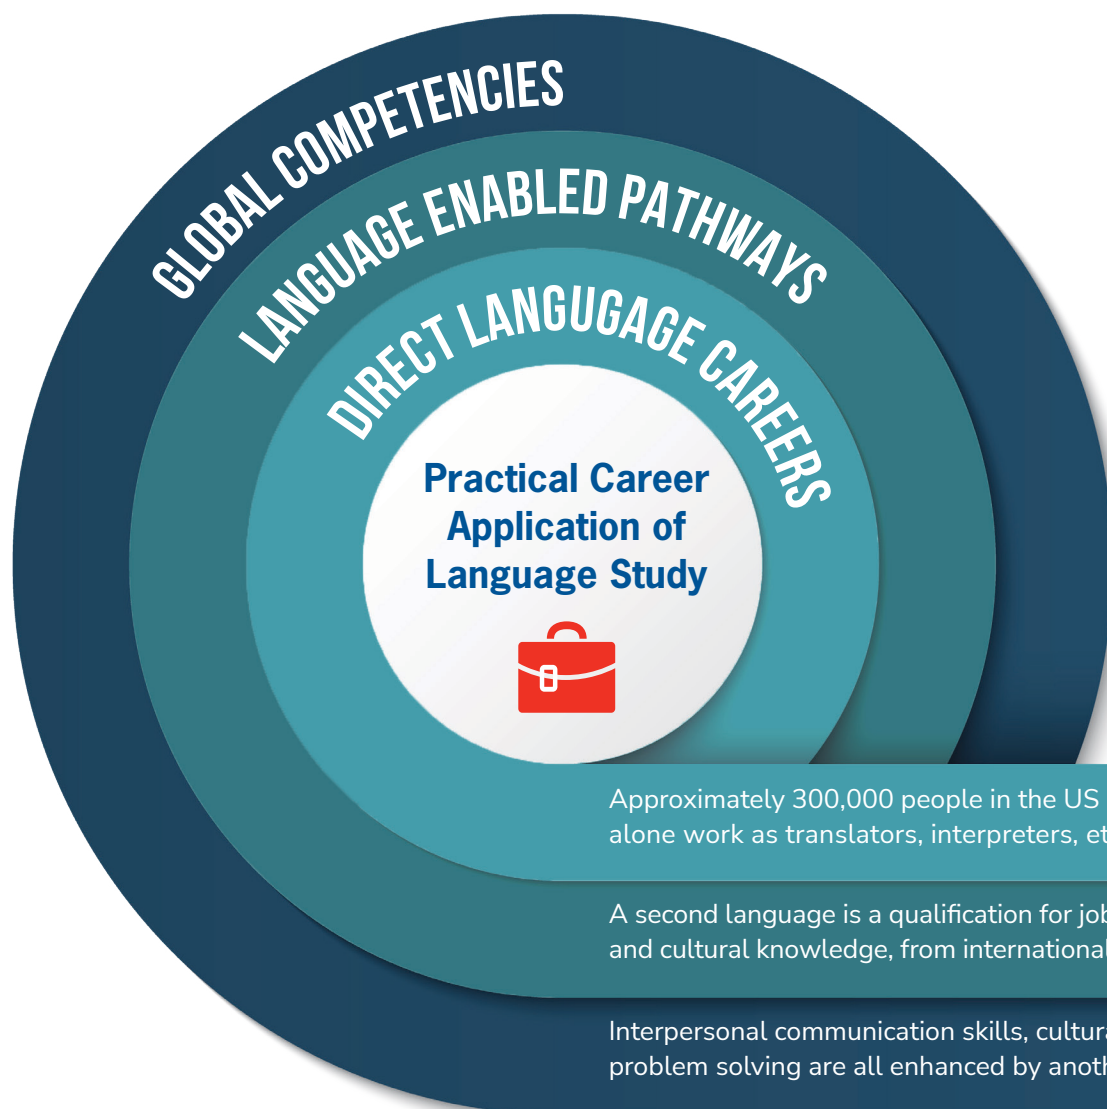

Preparing students for global citizenship.

Learning a second language is a valuable piece of any student's education. Language skills create job opportunities in many career paths.

UNDERGRADUATE ADVISORS

All career paths can benefit from language education

The future is bright when students add second language proficiency to their skillset.

Approximately 300,000 people in the US alone work as translators, interpreters, etc.

A second language is a qualification for jobs that require use of language and cultural knowledge, from international business to national security.

Interpersonal communication skills, cultural flexibility, and problem solving are all enhanced by another language.
